To whom so ever it may concern

It is my pleasure to write this unsolicited letter of recommendation for Mr. Tejpaal Sohal. Mr. Sohal was the Interiors contractor at our hotel project the Sheraton Hotel Dushanbe located at, Dushanbe, Tajikistan. He took over the project in the year 2013 and then was associated with us until the full and the final handover to the Sheraton operations team.

All of interiors work was overseen and executed by Mr. Sohal and his company Design Crrreation Services which included but was not limited to, Joinery, Flooring (Marble laying and polishing), Tiling, Carpentry, POP and Painting-Polishing)

We are highly impressed with his consultation, management, execution and teamwork skills. I would give Design Crrreation top marks in following areas:

- 1) Quality of consultation and work performed.
- 2) Quality of work crew.
- 3) Project management and coordination.
- 4) Integrity and professionalism.
- 5) Effective Communication.
- 6) Flexibility and effectiveness in dealing with complex and unexpected issues.

In closing, we are very pleased with the final product which Mr. Sohal and his team were instrumental in delivering and I believe his exceptional work should be recognized. I am impressed with his work as an Interiors Contractor and I recommend him enthusiastically and without any reservations. Our company intends to use the services of Mr. Sohal in our upcoming projects.

I wish Design Crrreation and Mr. Tejpaal Sohal the very best for their future endeavours.
